Professional Summary

Passionate front-end developer with a background in design and a strong focus on building custom, user-friendly, and responsive websites. Skilled in modern web technologies and committed to delivering accessible, SEO-optimized solutions tailored to each client's brand. Currently expanding my skillset with React.js, Webflow, and UI/UX design. I bring 100% effort, creative thinking, and clear communication to every project I take on.

Technical Skills

- **Languages & Frameworks:** HTML, CSS, JavaScript, React.js, Next.js, Node.js, Express

- **Tools & Platforms:** Git, VS Code, Webflow, WordPress, Figma, Tailwind CSS, Canva

- **Other Skills:** SEO Basics, Accessibility (a11y), Responsive Design, E-commerce integration

---
